

Lending/Use of School Equipment

-POLICY-

It is the policy of School District No. 58 (Nicola-Similkameen) that the following equipment will not be loaned to any individual or group:

1. Microcomputers
2. Stereo equipment
3. T.V. camera and/or related sound equipment

Other less sensitive/sophisticated equipment such as projectors, video recorders, screens and the like may be borrowed provided suitable notice is given to the school or District Resource Centre. The lending of equipment will be strictly left to the principal or Resource Centre.

The borrower will be required to sign an agreement form and will be responsible for any damages, breakage or loss of equipment.

It is not the intention of the Board to provide services, equipment or materials to other than School District users, if regularly available for rental from local commercial enterprises.

Equipment may be assigned by the Superintendent of Schools, or his/her designate, to District personnel for educational purposes (e.g. in-service training, program development).

The party renting will use the equipment provided by the School District at its own risk and covenants to hold the Board harmless from all and any legal liability for loss, cost of damages resulting from bodily injury to, and including the death of any person or persons, or from damage to the property of others, and to indemnify the Board for any loss or damage to the owner's property, arising from its use, including but not exceeding the deductible amount for which the Board is liable under the terms of the owner's insurance coverage.
