

Video Surveillance at School Sites

-POLICY-

Preamble:

Video Surveillance is a complex issue in that it attempts to balance the rights to physical security and protection of property against the privacy rights of individuals.

The intent of this policy is to ensure that the need to deploy video surveillance is compelling and that any resulting effects on privacy rights are minimized.

The Freedom of Information and Protection of Privacy Act for BC governs the use of video surveillance. It is intended that this policy will meet both the requirements and the(th)2 (e)6-T* eeit 2 (e)f(e)
